

SCHEME OF 'PRE-MATRIC SCHOLARSHIP' FOR STUDENTS BELONGING TO THE MINORITY COMMUNITIES FOR 2017-20

1. BACKGROUND

The Prime Minister's New 15 Point Programme for the Welfare of Minorities was announced in June, 2006. It provides that a Pre-Matric scholarship scheme for meritorious students from minority communities would be implemented.

2. OBJECTIVE

The scholarship at pre-matric level will encourage parents from minority communities to send their school going children to school, lighten their financial burden on school education and sustain their efforts to support their children to complete school education. The scheme will form the foundation for their educational attainment and provide a level playing field in the competitive employment arena. Empowerment through education, which is one of the objectives of this scheme, has the potential to lead to upliftment of the socio economic conditions of the minority communities.

3. SCOPE

The scholarship will be awarded for studies in India in a government or private school from class I to class X, including such residential Government institutes and eligible private institutes selected and notified in a transparent manner by the State Government and Union Territory Administration concerned.

4. ELIGIBILITY

Scholarship will be awarded to the students who have secured not less than 50% marks in the previous final examination and annual income of their parents/guardian from all sources does not exceed Rs. 1.00 lakh.

5. DISTRIBUTION

Muslims, Sikhs, Christians, Buddhists, Jain and Zoroastrians (Parsis) have been notified as minority communities under Section 2 (c) of the National Commission for Minorities Act, 1992. A total of thirty (30) lakh scholarships are targeted to be distributed as 'Fresh' Scholarships, besides, Renewal scholarships. The distribution of scholarship among the States/Union Territories will be made on the basis of population of minorities in the States/Union Territories as per Census 2001 for 2017-18 and as per the population of minorities in the States/Union Territories of Census 2011 for 2018-19 and 2019-20 (as per Appendices- A & B).

6. EARMARKING

- i) 30% scholarship is earmarked for girls students of each minority community in a State/UT which is transferable to male students of that community in case of non-availability of female students in that community in the concerned State/UT. 30% is the floor and not the ceiling for eligible girl students.
- ii) If the physical target of scholarship for a particular minority community in a state/UT is not utilized, it will be distributed among the same minority community in other States/UTs strictly in accordance with merit and without disturbing the national ratio for the Community. Any unutilized community quota shall be distributed amongst other communities again in accordance with merit and without affecting overall national quota.
